

# RIPAMONTI

RESIDENCE & HOTEL MILANO

\* \* \* \*

MICE Brochure

# WELCOME

Entering Ripamonti is like crossing the threshold of the house. There is a family welcome. Sense of belonging and security, comfort and everything within reach hand. The extensive network of internal and external services makes this residence hotel a real neighborhood, well connected and populated by "inhabitants", where to find immediate response to every need and requirement, even during stays of period. The peculiar architecture of the building, imposing the meaning and value of the place. Circular, connected, recognizable, autonomous.

# HOSPITALITY

Immersed in the green of the South Park, sheltered from the chaos of the city but in a position optimal to reach the center of Milan, Ripamonti Residence & Hotel with its 916 residential units is the largest accommodation facility in Italy. Not a simple hotel and residence, but a real community, a self-sufficient and complete world, where guests become «inhabitants». In addition to the many internal services, there is a shopping area with supermarket, pharmacy, affiliated outdoor gym, hairdresser woman/ man and denial of clothing.

# ROOMS

916 units of Ripamonti Residence & Hotel Milano, usable both in hotel formula for short stays with breakfast included, and in formula residence for long stays in apartments with kitchen and living. The rooms have a classic and simple style, are spacious, bright, functional and comfortable, to ensure comfort in moments of relaxation spent in the room. For those who request it, it is possible to obtain residence in the hotel

## KITCHEN

The restaurant offers both à la carte and self service menus and offers simple, but well-kept, tasty and quality dishes. The large buffet is available together with a selection of first, second, side dishes and desserts that varies depending on the season, ensuring fresh and predominantly local. For those who prefer to enjoy a timeless dish, there is a pizzeria with a wide menu of classic and special. A rich sweet and savoury breakfast is served daily from 06:30 to 12 in the cozy lobby bar. The bar is always open for a coffee break, an aperitif or a drink at the end of the day.

## SERVICE

In the largest Residence-Hotel in Italy the style of hospitality is made of simplicity and sincerity, as in a family. For this, the charter of services is broad and complete, to convey a sense of security and belonging, and meet the needs and expectations of guests, both those passing through, and those resident for long periods. The simplicity of the style of service is offset by the attention paid to guests, made of availability, transparency, willingness to welcome and satisfy in the right balance between quality and accessibility of the expense.

## MOBILITY

Ripamonti is located south of the center of Milan, a green and quiet area gates of the metropolis. To reach the city center, a free shuttle is available starting directly from the entrance of the hotel and with more rides throughout the day, both for the outward and return. Getting to Milan city centre has never been easier! With the S13 railway line, located near the hotel, you can reach easily the railway station of Rogoredo, Porta Venezia, Repubblica (near the Central Station) and Porta Garibaldi, center of Milan nightlife

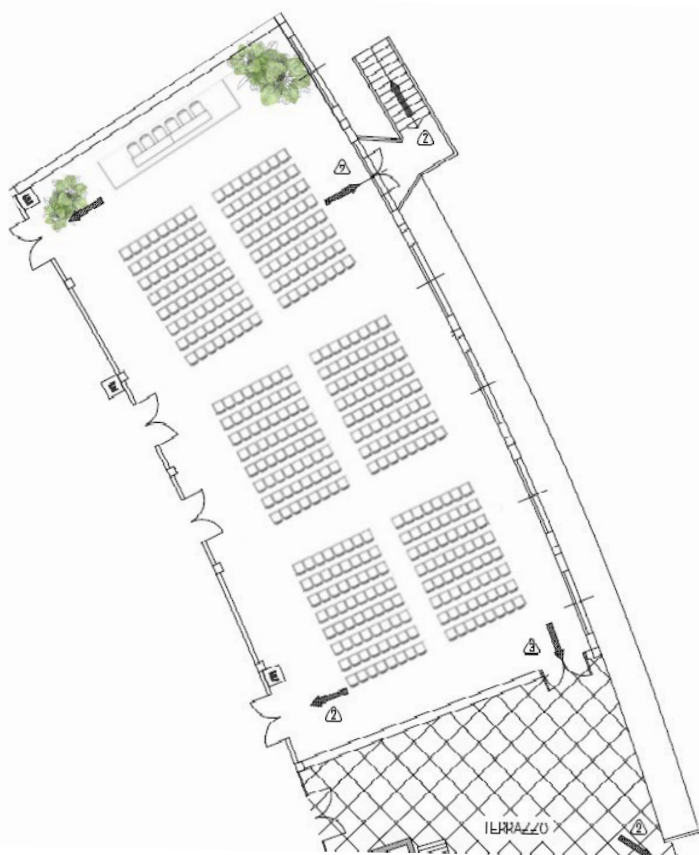

# CONGRESS CENTRE

## MEETING ROOMS AND EQUIPMENT

The congress centre offers 3 modular meeting rooms located on the ground floor, lit by natural light and equipped with modern equipment. The plenary can accommodate up to 400 people. The generous and versatile outdoor and interior spaces and the different accommodation formulas allow you to organize and customize each type of event. Ripamonti Residence & Hotel is a reference point both for companies in the Milan area and for companies looking for a location where to organize conventions, congresses, business meetings, business meetings

# ACADEMY

## AULE E DOTAZIONI

The Academy classrooms are the workspaces that Ripamonti provides for training, training and refresher courses, practical tests. Spaces designed to ensure maximum effectiveness and functionality for both teachers and participants. The strategic location in the green, although far from the traffic and problems of the city center, is easily accessible by public transport and through major roads. The free shuttle service to and from the center is an additional plus that facilitates travel. Our classrooms are characterized by a high flexibility in terms of layout, they all have natural light, are well soundproofed and are periodically treated with washing and disinfection. Adjacent to the classrooms is available on request a space for coffee break and catering services
