# Body Treatments

## LAVICA STONE Awakens the senses and regenerates the body

**This ritual includes a self-massage scrub in a private hammam and a 50-minute Hot Stone massage.**

Volcanic powder, hot stones, and the balsamic scents of the mountains reactivate microcirculation, dissolve muscle tension, and purify the skin. This ritual gives a deep sense of relaxation, harmony, and lightness.

**75' € 170,00**

## DI-VINI MOMENTI A true celebration of beauty!

**Including: Scrub 30-minute grape must candle massage**

The "Wine Antioxidant Ritual" is a complete sensory experience, designed for skin rejuvenation. The treatment begins with a purifying scrub that eliminates every impurity, followed by a Divine Wine Massage that nourishes the skin and envelops the body in a soft, luminous embrace thanks to its antioxidant properties.

**60' €140,00**

## MEDITERRANEO An embrace of nature.

**Including: citrus scrub, mud wrap, and a 30-minute decontracting back and leg massage.**

A sensory journey that unites the strength of the earth with the light of the sun. A green clay wrap, infused with the active ingredients of orange, purifies and revitalizes the skin in depth, giving it new elasticity. The ritual then flows into a deep touch that melts away every tension and restores a sense of lightness.

**75' € 155,00**

## SECRET SICILY A sensory enchantment.

**Including: a wrap, whirlpool bath with sea salt extracted from the Trapani salt pans with a lemon and broom scent, and a 30-minute draining massage for the abdomen, legs, and glutes.**

In the heart of this ritual lies the most authentic essence of Sicily, a treasure of ingredients that provide the body with deep nourishment and intense regeneration. The journey celebrates the island's spirit: the fresh aroma of lemons and the intoxicating scent of broom blend in an embrace of wellness, while a unique massage nourishes the skin and gives a feeling of lightness.
