

PALAZZO DI VARIGNANA'S MEDICAL CENTER FOR YOUR HEALTH

We are looking forward to introducing our health programs specially designed to enhance metabolic activity and good quality rest, fight oxidative stress and support the immune system

Dott.ssa Annamaria Acquaviva
Head of Health & Medical Programs

Palazzo di Varignana, under the guidance of Dr. Annamaria Acquaviva - project manager and creator of the scientific method practiced at Palazzo di Varignana - offer a Medical Center with a program of activities and treatments dedicated to stimulating the immune system, enhancing metabolic activity and counteracting oxidative stress. Dr. Acquaviva and her team offer the following services: personalized healthy diet, Oxygen Ozone Therapy, IV Therapy, Nature Therapy and a wide range of aesthetic medicine treatments.

Immersed in the green hills near Bologna, Palazzo di Varignana is the ideal place for holidays that combine nature, sports and psychophysical well-being. In this beautiful location, complete well-being programs are offered for multiple needs. Within the programs functional nutrition is combined with specific physical activities, spa beauty treatments and services from the medical center.
